TO: Police Liaison Committee
FROM: General Manager 
SUBJECT: Physical Barriers at Merchant and Pomona Intersection – Follow-up
DATE: December 30, 2019

Contra Costa County Public Works has responded to suggestions made to consider installing physical barriers at Merchant and Pomona intersection to deter sideshow activity. Below is information summarized from emails from Monish Sen and Mark de la O, Contra Costa County Public Works, Traffic Engineering.

“With respect to a status of the feasibility of bulb-outs and other barriers to deter sideshows these installations are not feasible at Merchant Street and Pomona Avenue. Any barriers would have to be Caltrans approved and accommodate STAA trucks, making this a very limited option. Truck-turning template for STAA trucks movements to and from the C&H plant were imposed, and truck turning templates for all other movements that are not on STAA restricted routes were also imposed. Also considered was tracking for cyclists, as the barriers constitute a hazard for them. The footprint for all of the movements was so extensive that constructability was not feasible.”

“Traffic Section’s opinion on deterring sideshows at Merchant Street and Pomona Street has not waived – it is considered to be a traffic enforcement/education issue and not a constructability issue. The pilot program for Alhambra Valley likely could not be applied at this more urban intersection.”

ACTION:

Discuss and consider next steps for Ad Hoc Sideshow Committee.

MINUTES OF REGULAR MEETING, DECEMBER 2, 2019

1. CALL TO ORDER: John Angell held a moment of silence in remembrance of David Botta, Committee Member, who recently passed away. Mr. Angell acknowledged David's years of service to the community. The meeting was called to order at 7:03 pm by Chairperson Angell. Present were Committee members Cardwell, Currington, Melero, Valentini and Wais.
2. AGENDA ORDER: No requests for items out of order.
3. PUBLIC COMMENTS ON NON-AGENDA ITEMS: The Community mentioned sincere thanks for our First Responders and the Sheriff's Department during the recent fires. They were greatly appreciated by all present with a round of applause. The December Crockett Signal issue is now on sale. It includes a lead article by Supervisor Federal Glover.
- 4.a. REPORT FROM DEPUTY: Deputy Spangler reported that thefts will probably increase during November/December. The Dead Fish is frustrated with auto burglaries and working closely with the Sheriff's Office. Deputy Spangler reported that two rare residential burglaries took place in November, one on Kendall and the other in the Teeney Terrace area. She reminded the attendees to call the other non-emergency number for any suspicious non-emergency activity. Even though the tree lighting ceremony took place in December, Deputy Spangler mentioned how much she enjoyed it along with other community activities. She reported she will be leaving her current position in January. No replacement has been named. She will attend January's meeting as her last meeting. She reported there are about eight transients living on the hill near the Dead Fish. She doesn't think these transients are responsible for auto burglaries at the Dead Fish. The waterfront has been pretty quiet due to the large PG&E presence and the Dead Fish security guard.
- 4.b. REPORT FROM CHP ON TRAFFIC ISSUES: Officer Wilkenfeld reported he towed six cars in Crockett in November. Most had expired tags that were years old. He gave the attendees his email address (swilkenfeld@chp.ca.gov) to please email him any abandoned vehicles with a photo if available and address. He will tag the vehicle and then monitor it.
- 4.c. NEIGHBORHOOD WATCH: No report. Apparently a new group is being formed in the Kendall neighborhood.
- 5.a. ELECTION OF OFFICERS: John Angell was elected as Chairperson (mw/bc). Mary Wais was elected as Vice Chairperson (sm/jv). Barbara Cardwell was elected as Secretary (mw/jv).
- 5.b. APPROVE MEETING SCHEDULE FOR 2020: A motion to approve meeting schedule for 2020 carried unanimously (mw/bc).
6. REPORTS FROM COMMITTEE MEMBERS: None

7. CONSENT CALENDAR: The consent item was approved unanimously (mw/jv):
a. Approve Financial Report.

8. FUTURE AGENDA ITEM:
Safe refuge bulb outs at Merchant and Pomona.

9. ADJOURNMENT: A moment of silence was held in memory of David Botta. The meeting was adjourned at 7:42 pm until January 6, 2020.

Respectfully submitted,
Barbara Cardwell
