Tired of crime in Crockett?

CROCKETT RESIDENTS: The Police Liaison Committee wants to know your thoughts so we can propose *sensible and effective crime fighting*. We have developed a survey and need input from you for grant funded camera(s) to help fight crime. Details on the back.

THE DEADLINE FOR THIS SURVEY IS OCTOBER 1ST.

Your opinion matters so turn this over and make your input known. Let's figure this out together.

CUSTOMER

Thank you fellow citizens!

AUTOMATED LICENSE LATE READERS (ALPR) SURVEY **Deadline to Return the Survey is October 1st**

ALPR software is a computer technology that uses cameras to automatically read license plates, and other identifying characteristics of a vehicle-the make, model, color and unique identifiers. These cameras capture the license numbers and transmit plate data to a database (National Crime Information Center, CA, DMV, Local BOLO's etc.) which runs a check for the vehicles possible involvement in:

- Amber Alerts • Silver Alerts • Abducted and missing persons • Wanted persons • Stolen vehicles
- Other crimes (i.e. drug trafficking, stolen property, illegal weapons, scene of a crime, etc.)

They are typically mounted on street poles, streetlights, highway overpasses, mobile trailers, or attached to law enforcement vehicles. The data, which includes photographs of the vehicles and sometimes the driver and passenger, is uploaded to a central server.

Crockett Police Liaison Committee is looking into ALPR to assist the sparse coverage we have from law enforcement, and to assist them with their **protection of our community**. The cameras are not just used by local law enforcement, but also by the Highway Patrol as well as other cities and towns..

In the first 8 months that the city of Benicia used their ALPR, they had 51 arrests:

- 14 were violent offenders (drive-by shooting, robberies, homicide, violent and sexual assaults). Of those only 18% were residents and 82% were non residents of Benicia.
- 17 guns were seized • 13 cases involved taking drugs off the streets • 25 stolen cars were recovered • \$189,260 recovered in vehicles and property.

We are asking the community to let us know what you think about this idea. **THE PURCHASE OF ANY READERS WILL BE GRANT FUNDED.** The coverage provided will help local law enforcement, who do not have the officers to patrol as much as a larger town.

COMPLETE THE SURVEY BELOW AND DROP OFF AT:

Crockett Community Services District (Community Center), 850 Pomona Street, Crockett CA 94525
(There's a mail drop at the front door. DEADLINE: OCTOBER 1st) OR email to: recreation@town.crockett.ca.us

1. Do you support the purchase and use of Automatic License Plate Readers in Crockett town limits? Yes No I'm not sure
2. If you chose "NO" or "I'm not sure" on #1, is there any additional info you need related to the use of ALPR in Crockett? Yes No
3. If you answered "YES" on #2, what areas would you like more info for? Privacy Information Cost and implementation info
 Other, please specify _____

Name: _____ Address: _____ Email: _____

The results of the survey will be consolidated. Names, addresses, and email will be kept private. As we are distributing this Survey through several mediums, we are asking for your name to avoid duplications.
