

July 26, 2023

Board of Directors
Crockett Community Services District
P.O. Box 578
Crockett, CA 94525

Directors,

This letter is to reaffirm my decision to resign my position as Administrative Services Manager of the Crockett Community Services District. My resignation of full time, on-site involvement with District business will be effective beginning July 31, 2023. My time with the District has been an invaluable learning experience, and I have been deeply honored to play a role in the management and progress of the Town that is so close to my heart. As the District has forged ahead, the pyrrhic victories have weighed on me heavily, and as such my energy and attention will be better served focused on other endeavors.

I have tentatively agreed to make myself available as needed, in a largely remote and limited role, to assist in the transition and redistribution of tasks, as well as finalizing a few critical items (tax levy, payroll, etc). If it is the Board so desires, I am happy to make this transition time as smooth as possible, assuming agreeable terms can be reached.

Thank you all for your patience, assistance, understanding, and accommodation for the duration of my employment with the district. The Board and Commission members are a paragon for pitching in to help the community. I appreciate all the time and effort you have contributed, and thank you for understanding my decision to leave the District.

Respectfully,

Vaughn Gunkelman
