## CROCKETT SANITARY COMMISSION

## Regular Business Meeting AGENDA FOR WEDNESDAY, SEPTEMBER 18, 2019

TIME:

7:00 PM

PLACE:

Crockett Community Center, 850 Pomona Avenue, Crockett

The Crockett Sanitary Commission is an agent of the Crockett Community Services District.

- 1. CALL TO ORDER ROLL CALL
- 2. CALL FOR REQUESTS TO CONSIDER ITEMS OUT OF ORDER
- 3. PUBLIC COMMENTS ON NON-AGENDA ITEMS:

(The Board is prohibited from discussing items not on this agenda. Matters brought up that are not on the agenda may be referred to staff for action or calendared on a future agenda.)

4. PUBLIC HEARING:

Hearing on violation of District Ordinance No. 18-1, deteriorated building sewer causing inflow of surface water, 601 Winslow Street (APN 354-074-011).

- 5. REPORT OF DISTRICT COUNSEL:
- 6. <u>CONSENT CALENDAR</u>: Consideration of a motion to approve the following items:

(Items are subject to removal from Consent Calendar by request of any Board Member on request for discussion by a member of the public. Items removed from the Consent Calendar will be considered with the Administrative Items.)

- a. Approve Minutes of June 19, 2019.
- b. Receive Status Report on outstanding issues.
- c. ASR Group NPDES Permit 5-day Notification Copper Exceedance July 2019.
- d. Receive cc letter from Supervisor Glover to State Lands Commission re: 501 Port St.
- 7. REPORT OF CONSULTING ENGINEER:
- 8. WASTEWATER:
  - a. Consider report on enforcement actions.
  - b. Receive status report on Atherton-Cooke Sewer Project No. C-1002 and Pomona Street Sewer Replacement Project No. C-1004, discuss and form recommendations.
- 9. <u>BUDGET AND FINANCE</u>:
  - a. Consider monthly Summary Worksheet and staff report on financial matters.
  - b. Authorize Capital Sewer Projects for FY 19/20 totaling \$807,030 as previously budgeted.

#### 10. ADMINISTRATIVE:

- a. Consider report on actions taken by the District Board.
- b. Collect any remaining completed Performance Survey forms for General Manager, as requested by Personnel Committee.
- 11. <u>REPORT OF DEPARTMENT MANAGER</u>: (These items are typically for exchange of information only. No action will be taken at this time.)
  - a. Operations, maintenance and capital improvements.
  - b. Governmental matters.
  - c. Announcements and discussion.
- 12. <u>REPORTS FROM COMMISSIONERS</u>: (These items are typically for exchange of information only. No action will be taken at this time.)
  - a. Wastewater Committee Members Bartlebaugh and Manzione
  - b. Budget & Finance Committee Members Wolthuis and Adams
  - c. Ad Hoc Committees:
  - d. Inter-agency meetings:

#### 13. FUTURE AGENDA ITEMS:

Award contract for Atherton-Cooke Sewer Project (Oct).

Comment on draft of Capacity Charge Accessory Dwelling Unit (ADU) Ordinance.

Consider recommended enforcement actions.

Recommend award of additional construction contract(s).

Recommend payment for sewer project(s).

#### 14. <u>COMMENTS FROM COMMISSIONERS:</u>

15. ADJOURNMENT to October 16, 2019.

You will find the Minutes of this meeting posted on our website at <a href="www.town.crockett.ca.us">www.town.crockett.ca.us</a> Visit our website for more information on meetings and activities of the Crockett Community Services District and the towns of Crockett and Port Costa on the picturesque Carquinez Strait of the San Francisco Bay.

In compliance with the Americans with Disabilities Act of 1990, if you need special assistance to participate in a District meeting, or if you need a copy of the agenda, or the agenda packet, in an appropriate alternative format, please contact the General Manager at (510) 787-2992. Notification of at least 48 hours prior to the meeting or time when services are needed will assist District staff in assuring that reasonable arrangements can be made to provide accessibility to the meeting or service.

August 30, 2019

Richard L. Rutherford and Steve Rice 601 Winslow Street Crockett, CA 94525

#### NOTICE PUBLIC HEARING

601 Winslow Street, Crockett, CA 94525 APN 354-074-011

As the owner of the above referenced property, you have previously been notified by the Crockett Sanitary Department that your property is in violation of District Ordinance No. 07-1, 18-1, the District Code and Standard Specifications for the reason that a broken, damaged, or severely deteriorated building sewer is causing inflow of surface water into the Crockett Sanitary sewer system. On June 19, the Crockett Sanitary Commission instructed staff to record the Notice of Violation with the County Recorder and schedule a second hearing. The public hearing and meeting of August 21 previously noticed was cancelled.

The Crockett Sanitary Commission will consider this violation and available remedies at a public hearing to be held at 7:00 PM on September 18, 2019, at the Crockett Community Center, 850 Pomona Avenue, Crockett. Your failure to correct the deficiencies by this deadline is likely to result in the following actions taken by the Board:

- a. If a permit for repair or replacement of the building sewer has been submitted to the Crockett Sanitary Department on or before the above hearing date, staff will recommend continuing the hearing for one month.
- Otherwise, staff will recommend imposing a fine of \$200 against the property, as allowed by Administrative Enforcement Ordinance No. 10-1 and set by Government Code Section 36900(b), and
- c. Recommend a third public hearing be scheduled to address the Notice of Violation, and all available remedies under the law including an additional fine of \$300.

Please be advised that <u>all costs incurred by the Sanitary Department regarding this enforcement action will be recovered from the property owner directly or on the next property tax roll</u>. Attention to these matters is required.

You are invited to attend the public hearing to be held at 7:00 PM on September 18, 2019 at the Crockett Community Center, 850 Pomona Avenue, Crockett. Please call us at 510-787-2992 with any questions.

Sincerely,

Dale McDonald General Manager

of the Crockett Community Services District

P.O. Box 578 - Crockett, CA 94525 Telephone (510) 787-2992 Fax (510) 787-2459 e-mail: manager@town.crockett.ca.us

website: www.town.crockett.ca.us

## MINUTES OF REGULAR MEETING, JUNE 19, 2019

- 1. CALL TO ORDER: The meeting was called to order at 7:00 PM by Chairperson Wais. Present were Commissioners Adams, Bartlebaugh, Manzione and Wolthuis, along with General Manager McDonald. Assistant Dept. Manager Barnhill and Asst. Secretary Witschi were absent excused.
- 2. AGENDA ORDER: There were no requests to change the agenda order.
- 3. PUBLIC COMMENTS: None
- <u>4.a. PUBLIC HEARING 2 CROLONA HEIGHTS</u>: Mr. McDonald reported the property owner still has not notified the department that the cleanout cap has been reinstalled. Mr. Adams said he believed this house was inherited and that the new owner is the son, a veteran, who may be away and that is why we have not heard anything. A motion to impose a fine of \$200 against the property and scheduled a third hearing carried unanimously (jw/mm).
- 4.b. PUBLIC HEARING 545 WINSLOW: Mr. McDonald reported the owner is under contract to replace the sewer but the contractor is scheduled out through July. A motion to continue the hearing till August to allow work to be completed carried unanimously (jw/mm).
- <u>4.c. PUBLIC HEARING 601 WINSLOW</u>: Mr. McDonald reported the property owner originally planned to turn in a video inspection but none has been received to date. A motion to record the Notice of Violation on the deteriorated building sewer carried unanimously (mw/sb).
- <u>4.d. PUBLIC HEARING 14 ROLPH PARK DRIVE</u>: Mr. McDonald reported owner is waiting for another estimate and asked if he can have another month to get another bid. A motion to continue the hearing for one month carried unanimously (mm/ha).
- 5. CONSENT CALENDAR: The consent item was approved unanimously (sb/mm):
  - a. Approve Minutes of May 15, 2019, as corrected, noting Scott Bartlebaugh made the motion to accept the consent calendar last month.
- 6. REPORT OF CONSULTING ENGINEER: Staff met with W.W. Housen earlier today to discuss Flygt control system, hydraulic study, and Sewer System Management Plan (SSMP).
- 7.a. ENFORCEMENT ACTIONS: The Commission received the report on recent enforcement actions. Mr. Manzione asked about 574 Alhambra and what staff meant by forced video inspection. Mr. McDonald said he needs to discuss with our attorney the proper notice requirements to access the building with a contractor to perform a video inspection of the sewer lateral. There is no outside cleanout and inspection is only possible by entering the basement area of the house. He believes a court order may be required with possible Sheriff involvement as the non-completed video inspection of the building sewer does not constitute

- an emergency. He said that all costs associated with the enforcement action, including inspection and court costs, can be recovered from the property owner.
- 7.b. SEWER USE CHARGE STUDY REPORT: Mr. McDonald said a report is part of the requirement to place the sewer use charges for FY 19/20 on the tax roll. It is a simplified report as compared to the full report required if a sewer use charge increase were to be proposed. Mr. Bartlebaugh asked if Port Costa may need another loan to address some of their issues they might face next year. Mr. McDonald said not anytime soon as there are a lot of questions that need to be investigated by the Port Costa Sanitary before a loan can even be considered. Mr. McDonald said the Crockett Sanitary Department could absorb an interdepartment loan of up to \$250K but anything greater would require the Port Costa Sanitary Department to look for another source of funding.
- 8.a. 11 MONTH FINANCIAL REPORT AND PROPOSED BUDGET: Mr. McDonald presented the proposed budget report. Staff added \$40K to the budget for hydraulic study as required by our SSMP. In addition to the highlights of proposed changes he informed the Commission on recent action by the Personnel Committee proposing cost-of-living adjustments for the District's employee salary schedule. Mr. McDonald also said the District's Budget & Finance Committee discussed the salary adjustments but did not make a recommendation. The Board will consider action at their next meeting. Property Tax Revenue and RTS Grant Funding will be lower in FY 19/20. The District will be considering reapportioning the District's ad valorem property tax between the Crockett Sanitary Department and Crockett Recreation Department resulting in a slight drop in property tax revenue allocated to the Crockett Sanitary Department in FY 19/20. The Crockett Sanitary Commission discussed the impact the property tax reapportionment policy would have on the Crockett Sanitary Department. Concern was raised that the drafted policy to reapportion the ad valorem property tax left open the possibility that the taxes can be used for other yet undefined needs of the District, in effect leaving a balance in the fund that can be interpreted by the public as a "slush" fund. The Commission expressed their support of the reallocation if the intent of the Board is to restrict funds to the Crockett Sanitary Department and Crockett Recreation Department as they are the current beneficiaries of the tax reapportionment. The Commission suggested the language of the draft resolution may need to be clarified, especially line item #4. The proposed budget includes \$305,920 in property tax revenue for the Crockett Sanitary Department, a decrease in allocation from 85.45% to 82.03%, based on anticipated Board adoption of the new allocation policy. Commissioner Wolthuis commented that at some point the District Board has to look at the impact too step of a rise in salary and benefit costs may have on the taxpayers, taking into consideration the burden it may place on them. Due diligence is required when the Board considers whether to provide salary and benefit increases, keeping in mind that it is public money that is being spent. The Commission supports salary increases and expanding benefits but questioned the impact doing both at the same time would have on the budget. Mr. McDonald reported on the cost allocation formulas used for commercial general liability and said new information on risk exposure has been received which indicate that the Recreation Department should be paying a larger share of the liability premium. It was the consensus of the Crockett Sanitary Commission to support the liability cost allocation rates this year as originally presented in the budget. A motion to accept the budget as presented carried unanimously (mm/jw).
- <u>8.b. FINANCIAL REPORT</u>: The monthly statement of Department finances and report on investments were examined by the Commission. No questions were raised.

- <u>9.a. NOTICE OF PUBLIC HEARING AND DRAFT RESOLUTION</u>: Mr. McDonald shared the notice and draft resolution overruling objections to the method of collection of sewer service charges for Crockett to the Commission. No suggested changes were made. The resolution will be presented to the District Board on June 26.
- <u>9.b. DISTRICT BOARD ACTIONS</u>: Mr. McDonald reported no actions related to the Crockett Sanitary Department were taken by the District Board in May.
- 10.a. STAFF REPORT ON OPERATIONS: Mr. McDonald presented the department managers report on operations, maintenance, and capital improvements. A revised West County Wastewater District report for February 2019 is included in the packet which corrects flow data reported during the storm events early that month. In addition to what was in the written report he said staff met with our District Engineer Vivian Housen earlier today to discuss the next steps in the MCC Panel replacement project. Mr. Manzione asked about the MCC Panel project and Carquinez Middle School project and its impact on the department.
- 10.b. STAFF REPORT ON GOVERNMENTAL MATTERS: None
- 10.c. STAFF ANNOUNCEMENTS: None
- 11.a. WASTEWATER COMMITTEE REPORT: None
- 11.b. BUDGET & FINANCE COMMITTEE REPORT: None
- 11.c. AD HOC COMMITTEES REPORT: None
- 11.d. INTER-AGENCY MEETINGS: None
- 12. FUTURE AGENDA ITEMS:

Authorization of capital projects (August).
Consider recommended enforcement actions.
Recommend award of contract(s)
Recommend payment for sewer project(s).

- 13. COMMISSIONER COMMENTS: Mr. Adams asked staff if they have heard of the buildup of plastic microfibers in the ocean. Mr. McDonald said he has read about it and mentioned that State regulatory agencies are aware as well. Mr. Manzione asked if there is an update on switching to By-district vs. At-large elections. Mr. McDonald said the attorney who is sending letters in the greater Bay Area are targeting larger districts that have disadvantaged community representation and that our District is not planning to change how it holds elections
- 14. ADJOURNMENT: The meeting was adjourned at 8:52 PM until August 21, 2019. The July 17 meeting will be cancelled as Mr. Bartlebaugh, Mr. Manzione, and Mr. Wolthuis will be unavailable.

Respectfully submitted,

at this time.

Dale McDonald June 26, 2019

Re: NPDES Permit 5-day Notification -

Copper Permit Exceedence at EFF-001 in July 2019

**C&H Sugar Company, Inc.** 

Dear Mr. Burrell:

In accordance with our NPDES permit, C&H notified your office via a telephone conversation on August 1, 2019 regarding the elevated copper sample result at EFF-001 on July 10, 2019. As explained during the follow-up conversation on August 5, 2019, the additional sample results would not be available for several more days as they were submitted to the lab late. Per a voice mail to your office on August 15, 2019, all four of the accelerated sample results were below 10 micrograms per liter ( $\mu$ g/L) for copper at EFF-001. As discussed on August 19, 2019, this 5-day letter would be required.

Our semi-annual compliance sample for copper collected on July 10, 2019 at EFF-001 was reported by Caltest Laboratory as having a result of 310  $\mu$ g/L. The maximum daily and average monthly effluent limits for copper at EFF-001 are 120 and 54  $\mu$ g/L, respectively.

#### Actions Taken -

- Upon review of the lab report, C&H requested that the original sample be re-analyzed in triplicate to verify the reported result.
- In accordance with our NPDES permit requirements, accelerated sampling was initiated for copper at EFF-001 with samples being collected on a daily basis for analysis. See results below.
- C&H conducted a review of the potential copper sources in the once-through cooling water system at the Refinery and no potential sources were identified.
- Maintenance work on the saltwater screener structure had been completed in June 2019 and an impressed current cathodic protection (ICCP) was installed to protect the equipment. Per the manufactures information, the ICCP would not be a source of copper.
- Maintenance work had been completed (during the last six months) on two of the six saltwater pumps in the system and copper parts were not used.

Accelerated Sampling results for Copper (ug/L)

| Date     | INF-001 | EFF-001 |  |  |
|----------|---------|---------|--|--|
| 8/1/2019 | J0.71   | 7.3     |  |  |
| 8/2/2019 | J1.5    |         |  |  |
| 8/5/2019 | <2      | 6.5     |  |  |
| 8/6/2019 | 8.7     | 6.6     |  |  |

Due to not receiving the July 10, 21019 copper results until July 31, 2019, no additional samples were collected in July 2019 at INF-001 and/or EFF-001. In accordance with the Conditions Triggering Accelerated Monitoring, we increased the sampling frequency to daily until the results from the additional samples showed the effluent at EFF-001 complied with the max daily and average monthly effluent limit for August 2019.

As presented above, the four consecutive daily August 2019 samples demonstrate compliance with the max daily and average monthly effluent limits for copper at EFF-001. The additional sample results verify that the elevated copper result at EFF-001 from July 10, 2019 appears to be an isolated event and is not on-going. This information will also be reported in the monthly e-SMR.

If you have questions about the information contained in this letter, I can be reached at (510) 787-4352 or via e-mail at Tanya.Akkerman@asr-group.com.

Sincerely. Leng Carolinan

Tanya Akkerman

Dear Ms. Lucchesi,

I am writing to follow up on our conference call of July 22, in which my staff and I asked for you and your staff to provide:

- Formal written response to Contra Costa County's request of May 7, 2019 in the form of a letter approved by the entire Board of Supervisors, to repair and re-tenant 501 Port Street, Crockett,
- Introductions to and facilitation of a meeting with your contacts at Union Pacific to start addressing the issues around rail crossing to the state's property at 501 Port and adjacent structures;
- Dates for your staff to hold a town hall meeting in Crockett to engage the community in discussions about the SLC-managed land and buildings;
- Better security at the former Nantucket to prevent the ongoing code enforcement and crime in the area.

We have not received the written response nor seen the other items come through. As the SLC staff is aware, the main structure at this site was in use as a restaurant for more than 50 years. With the recent cessation of business there, the restaurant is boarded up and a new source of blight. Its current status also eliminates safe, legal public access to the bay for miles in either direction. I look forward to hearing about progress on this situation through the Department of Conservation and Development.

SUBJECT:

Status Report on Recent Enforcement Actions

DATE:

September 10, 2019

Staff continues enforcement of violations related to Ordinance No. 07-1 requiring inspection of the building sewer at time of any property sale and certification of its good condition. In addition, other violations of Ordinances No. 18-1 and No. 05-1 are also being enforced.

The following property received a Certificate of Compliance prior to the sale of the building:

- 1. 536 EDWARDS STREET Certificate issued after permit to repair connection to sewer.
- 824 FIRST STREET Certificate issued after permit to replace sewer.

The following properties are no longer in violation:

- 1. 159 DUPERU DRIVE Certificate issued after permit for repair prior to NOV being issued.
- 2. <u>525 ALHAMBRA STREET</u>- Certificate issued after permit for repair after NOV issued.
- 3. 545 WINSLOW STREET- Certificate issued after permit for replacement after NOV.
- 4. 14 ROLPH PARK DRIVE Certificate issued after permit for replacement after NOV.

The following properties had recent enforcement actions:

- 1. 1403 WANDA STREET Notice of Violation issued to correct broken lateral sewer.
   Emergency repair undertaken by District contractor using opportunity to repair while PG&E trench was open. Absentee owner contacted the Crocket Sanitary Department after work was completed. Indication that damage to lateral was caused by PG&E during trenching. PG&E billed for costs to repair damage. Violation rescinded as lateral was repaired and leak from lateral has stopped.
- 20050 SAN PABLO AVENUE Dead Fish restaurant contacted regarding grease trap and Fats/Oil/Grease (FOG) buildup in downstream public sewer. Staff investigating and working with West County Wastewater District to investigate FOG buildup in public sewer.

#### Additional enforcement action:

1. 65 BALDWIN AVENUE - Enforcement remains suspended awaiting contractor availability.

General Manager

SUBJECT:

Status Report on Atherton-Cooke Sewer Project C-1002 and

Pomona Street Sewer Replacement Project C-1004

DATE:

September 10, 2019

The Crockett Sanitary Department has been preparing to start two major sewer replacement projects over the next few months. Capital sewer projects undertaken by nearby public agencies have seen costs exceed initial engineer's estimates by 25%-35% due to a shortage of contractors and increased material costs. Staff is concerned that both projects will be well over budget.

#### Atherton-Cooke Sewer Project C-1002

This project has been let for bid (see attached notice). The budget allocated \$249,880 towards this project. The method of construction is open-trench. Open-trench construction costs per Lineal Foot (LF) has risen from \$280-\$300 per LF to upwards of \$450-500 per LF for recent nearby work. Debris removal and hauling costs have increased. The engineers estimate for the Atherton-Cooke Project came in at \$428,000. Staff is hopeful bids will be below the engineer's estimate. The Crockett Sanitary Department will know the actual cost for this project once bids are received and opened on October 9, 2019. Action will be required at the next Crockett Sanitary Commission meeting of October 16.

#### Pomona Street Sewer Replacement Project C-1004

This project was initially budgeted for 10-12 spot repairs between Bishop Road and Cooke Avenue at \$57,000. The 6" VCP pipe was installed in 1924 and upon further investigation it was determined that it would be best to replace the aging pipe rather than continue spot repairs on these line segments. Pipe-bursting the sewer, replacing 6" VCP with 6" HDPE, for the entire length of 872 feet has been investigated. Concern was raised during the development of construction drawings and the locating of underground utilities that pipe bursting may cause damage to the sidewalk or nearby utilities due to the shallow nature of the original sewer. Engineers also suggested upsizing the pipe from 6" to 8" to meet our current specifications. Estimated costs for pipe-bursting would be \$188,350 and for open-trench in the street \$436,000. Due to anticipated construction costs well over budget and allocated funding, staff is holding off any further work on Pomona Project C-1003 until after the completion of Atherton-Cooke.

#### **ACTION:**

Discuss and form opinions, give direction to staff.

# NOTICE TO CONTRACTORS INVITING SEALED PROPOSALS

CROCKETT SANITARY DEPARTMENT
OF
CROCKETT COMMUNITY SERVICES DISTRICT
CONTRA COSTA COUNTY
CALIFORNIA

#### ATHERTON-COOKE SEWER PROJECT

Project No. C-1002 September 10, 2019

CROCKETT SANITARY DEPARTMENT P.O. BOX 578 CROCKETT, CA 94525

www.town.crockett.ca.us

PHONE NO. (510) 787-2992

FAX NO. (510) 787-2459

NOTICE IS HEREBY GIVEN that sealed proposals or bids will be received by the Crockett Sanitary Department at the District's office at 850 Pomona Avenue, Crockett, California 94525 until 10:00 A.M. local time on October 9, 2019, at which time they will be publicly opened and read aloud, for performing work as follows:

The principal items of work are the installation of 491' of new 8" PVC SDR 26 sewer in the roadway and sidewalk, abandonment of parallel old 6" VCP sewer, installation of 4 new manholes, replacement of 2 manholes, and removing 2 existing manholes in Crockett, California. Open trench method is required for the majority of work with one section of sewer to be installed by horizontal directional boring, with option to open trench.

Bids may be delivered in advance of the bid date and time to the General Manager at the District office at the above address between 8:00 A.M. and 5:00 P.M., Monday through Friday or mailed to Crockett Sanitary Department at P.O. Box 578, Crockett, California 94525.

**Crockett Sanitary Commission** 

FROM:

General Manager ///

SUBJECT:

Authorization of Capital Sewer Projects for FY 19/20

DATE:

September 10, 2019

The Crockett Sanitary Department seeks authorization of \$807,030 to undertake nine major capital replacement sewer projects (groups into projects C-1001 thru C-1015) and seven individual line repairs for FY 19/20, list of projects attached.

The Crockett Community Services District adopted budget for FY 19/20 included funding for the projects identified. It is anticipated that funding may be short for some of the larger projects and staff is planning to seek additional funding allocation on an individual project-by-project basis as needed.

#### **RECOMMENDATION:**

Staff recommends the Commission authorize \$807,030, as previously budgeted and allocated, for use towards Crockett Sanitary Department capital projects identified.

## Performance Review for General Manager Survey Form for Commissions and Committees

#### **Commissioners and Committee Members**

The District Board performs the review of the General Manager. To assist in reviewing the performance of the General Manager over the last year, the Board can solicit information from the Commissions and Committees. If you wish, you can give the Board comments in the following areas:

Your comments will be shared with the members of the board of directors, but your name will not be identified with specific comments. Please submit/mail to the District Office, attention Personnel Committee Chairperson, Crockett CSD, P.O. Box 578, Crockett, CA 94525 to arrive no later than Wednesday August 14, 2019.

| COMMENTS ON PERFORMANCE OF THE GENERAL MANAGER |
|------------------------------------------------|
| 1. Overall organizational performance          |
| 2. Community leadership                        |
| 3. Administration and HR                       |
| 4. Financial sustainability and mission impact |

| 5. Communication with Board of directors and Commissions                                                                               |  |
|----------------------------------------------------------------------------------------------------------------------------------------|--|
| •                                                                                                                                      |  |
| QUESTIONS FOR COMMISSIONERS AND COMMITTEE MEMBERS                                                                                      |  |
| 6. Are there any specific suggestions for professional development that the board might consider recommending to the General Manager?  |  |
|                                                                                                                                        |  |
| 7. Are there any deficiencies in local governance that you feel the Board should discuss with the General Manager?                     |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
| 8. Are there any recommended changes to the administrative process that would benefit the Commissions or Committees that you serve on? |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
| Miscellaneous Comments                                                                                                                 |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |
|                                                                                                                                        |  |

TO: Crockett Sanitary Commissioners

FROM: General Manager (M

SUBJECT: Crockett Sanitary Department Managers Report

DATE: September 11, 2019

The Crockett Sanitary Department Managers Report highlights items of interest that occurred between June 11, 2019 and September 11, 2019.

#### Operation and Maintenance

- There were no Sanitary Sewer Overflows (SSO) reported in June, July, or August. Staff responded to a few alarms at the Crockett pump station related to the water pump pressure system.
- Three separate incidents with sanitary sewers have occurred at the PG&E construction site at Port and Wanda.
  - o On June 28, a previously unknown 6" clay sewer pipe was exposed during PG&E trenching. The sewer pipe was damaged and was leaking raw sewage into the construction pit. An emergency repair was undertaken. The 6" sewer connects directly to the sewer manhole at Port and Wanda. CCTV inspection confirmed multiple wye connections with sewer continuing up past 1st Avenue. It is a previously unknown public sewer that connects to the auto shop.
  - On July 18, staff was informed of an exposed lateral sewer serving a property on Wanda and 1<sup>st</sup> Avenue which was broken and was occasionally leaking wastewater into a second PG&E trench. Wastewater is also seeping from the ground at a location adjacent to the District's public sewer mid-block on Wanda between 1<sup>st</sup> and Port. Both these minor leeks drain to the lower corner of PG&E trench and slowly seep into the ground. Neither are considered SSOs as they are contained within the trench. The lateral of 1403 Wanda was repaired. A break at the bottom of the sewer just outside manhole V-00-08 is source of majority of wastewater. PG&E completed their work in this trench with backfill by mid-August.
  - On July 19, the 8" main clay sewer running down Wanda was exposed, was cracked in multiple locations, and was leaking wastewater into the trench.
     Emergency sewer repair was undertaken and approximately 6' of sewer was replaced spanning the open trench. Staff confirmed this pipe was defective and once exposed by PG&E could not support its own weight.

#### Operation and Maintenance (continued)

With multiple failures identified on these sewer line segments, the brittle nature of older clay pipe exposed to date, and unknown connections on adjacent live 6" sewer, there is no benefit to coordinate repair while PG&E trenches expose the sewers. The replacement project for V-00-08 to V-00-06 will be done after PG&E project is complete. Abandonment of previously unknown public sewer will be coordinated while reconnecting laterals affected as need.

- Weeds cut at the Crockett Equalization (EQ) tank grounds for fire prevention.
- Coordinated Loring Pump Station generator use and wet-well pump down during PG&E power outage on August 6.
- Wet-weather preparedness has begun, manholes cleared of vegetation, and West County Wastewater District provided list of action items.
- Pump 1 at the Crockett Pump Station has been taken out of service for repair. The motor was spinning but the pump was not working, most likely the coupler sheared.

#### Capital Improvements / Projects

- John Swett High School sewer repair near the bleachers has been completed, contractor H&R Plumbing used grout injection repair method. Buried manhole in center of football field has been exposed by artificial turf maintenance vendor hired by JSHS which allowed repair to be completed and inspection of manhole.
- Atherton/Cooke Project C-1002 published and let to bid.
- Pomona Street Project C-1004 drawings updated. Project to replace the public sewer under the sidewalk from Cooke Ave to Bishop Road put on hold. HDPE pipe burst project may damage sidewalk and nearby utilities. Staff is investigating alternatives.

#### Administrative/Financial:

- PG&E was issued a conditional discharge permit to discharge groundwater at Port & Wanda project location. Analytical sampling methods and limits identified in permit.
- Sewer map provided to EBMUD as part of the planed EBMUD 8" water main relocation project related to the new Carquinez Middle School project.
- Sanitary department staff attended mandatory harassment training on June 28.
- Attended the General Managers Roundtable meeting in Oakland on July 8.
- State Compensation Insurance Fund (SCIF) Workers' Compensation Insurance Payroll Report completed for FY 18/19. Rates for sanitary department management employees are down from 3.48% to 3.04%. SCIF audit begun first week of September.
- Bay Area Air Quality Management District inspection at the Crockett EQ tank and Crockett Pump Station completed July 18.
- Water Code Section 13267 and 13383 Order to amend monitoring and reporting programs consistent with the requirements of the Water Quality Control Policy for Recycled Water received July 29. Crockett CSD given one CIWRQSRM ID; 393543. WWTPs serving Crockett and Port Costa not issued their own reporting IDs as anticipated. Clarification needed from State to determine reporting requirements, staff to contact SWRCB.

#### Administrative/Financial (continued):

- Crockett Sanitary Department will be filing a claim in bankruptcy court against PG&E for damaging our sewer in 2015 when they installed a new gas main on Kendall Avenue in Crockett. CCTV investigation confirmed multiple investigative holes were drilled into asphalt and punctured the top, and in some cases the bottom of the sewer, running the entire length of Kendall west of Merchant Street.
- David Farnsworth, CPA, chosen as auditor to perform annual audit of FY 18/19.
- Sewer Use Charge Tax Levy Forms submitted to the County. One Access & Repair
  Agreement property, 701 Edwards Street, paid their balance directly to the District after
  Resolution to place on the tax roll was adopted. The County was informed and a revised
  tax levy was submitted removing the additional charge from this parcel.
- C&H Sugar invoiced for 1<sup>st</sup> quarter FY 19/20 Sewer Use Fee in the amount of \$47,471.73.
- Port Costa Sanitary Department invoiced and approved payment of \$47,787.26 for annual payment towards inter-department loan. This is the fourth of ten payments. The principal balance after October payment will be \$241,489.21.
- The District Board is investigating the acquisition of the Hosselkus Chapel, which is going to be sold, for conversion public benefits including but not limited to new District offices, board meeting room, and rental use of chapel or other areas.
- General Manager McDonald spent approximately 29% of his time towards Crockett Sanitary Department operations and 4% on Capital Projects in July. The rest of his time was spent on District business 44%, Recreation and PLC 13%, Maintenance 1%, and Port Costa 9%. He worked a total of 200 hours in July, averaging 46 hours per week.
- Assistant Sanitary Department Manager Barnhill spent approximately 85% of his time on Crockett Sanitary Department operations and 5% of his time on Capital Projects. The rest of his time, 10%, was spent on Port Costa issues.
- General Manager McDonald was on vacation August 14 to August 21.

June 2019 Management, Operations & Maintenance Report

July 2, 2019

#### **OINFRAMARK**

#### Summary

No operational issues for the month of June. Plant is operating very well.

We were able to clean out the "bone yard" of all the metal wastes and wood pallets. Housekeeping was our goal for the month.

We were back on generator power at the end of the month due to TG-3 issues.

DAF air compressor broke down on June 30<sup>th</sup>. We are utilizing plant air compressor to compensate for DAF's and flume gate.

Satpal Pahal became our new operator June 19th. Angela Long will start Juy 1st.

OT/DT due to training & fill in operations

#### Compliance

- No compliance issue for the month.
- No missed samples for the month.

#### Maintenance & Repair

- Telstar performed semi-annual instrument calibration. June 3-6
- Inframark replaced long pressure belt on belt filter press. June 12
- R.F. MacDonald installed new plant water pump #2. June 12
- Landscape tasks were performed by Pacific Site Management on Fridays.
- Inframark removed metal wastes and general wastes from the "bone yard".
- Sonnikson & Stordahl was able to remove debris and clean out reactor #1.
- Sonnikson & Stordahl replaced approximately 25 feet of bad airline going to plant water hydropneumatic pressure tank.
- Sonnikson & Stordahl with assistance from Ponder Environmental acid washed reactor #1.

#### **OINFRAMARK**

#### **Financial Update**

- Maintenance Caps Balance at end of the month: (-\$2,258.78)
- Pass-thru Billable Items
  - o AT&T Monthly internet access fee \$65.00
  - o Motion Industries Hydraulic cylinder for belt filter press \$1106.44
  - o Harrington Ind. Plastics Various PVC parts \$125.61
  - o Home Depot Extension cords and tools \$86.30
  - Staples Copy papers, basic calculator & note pads \$157.25
  - o USA BlueBook Eyewash bottles for the laboratory \$73.46

#### Health & Safety

- No Lost Time Incidents or CALOSHA recordable.
- Safety training topic:
  - o Review machine guarding principles
- Safety issues:
  - Walkway on South side of surge tank is collapsing. (Currently blocked off for no entry)
  - Walkaway on North side of surge tank is creating a trip hazard. (Currently blocked off for no entry)
  - o Tank inspection by certified inspector for urea and phosphoric acid tank.
  - o All gratings on top of aeration tank should be anchored down.

#### **Operator Certification Status**

| • | Ken Dennison      | 111-7928  | Expires 6/30/2020  |
|---|-------------------|-----------|--------------------|
| • | Luc Beauchemin    | 11-8540   | Expires 6/30/2021  |
| • | David Simonson    | II-9605   | Expires 6/30/2021  |
