**Relevant experience relating to this position -**

15 years on the P1 Advisory Committee AKA Police Liaison Committee

14 years on the REC Commission

Resigned from both Committees in 2018 due to a work conflict; I am now retired, I would like to be involved again on some of the town committees.

**Some thoughts you believe may contribute to improve the Commission-**

Have all the Commissioners walk the area they are responsible for under the L&L, including the knowing where the green light locations are so they are familiar with the areas being discussed during the meeting. I know I would benefit from this suggestion.

Also, I am concerned about the money that is given to the Crockett Public Services by the C and H for the upkeep of the Wanda Bypass. I have seen little upkeep over the past several years, what is the money being used for? My concern is the L&L will be approached to pay for that upkeep.

If appointed, what/how would I contribute to our Communities?

I think by donating my time and being involved, to offer opinions and vote for matters that would do positive things for the town of Crockett, volunteering at some of the different events, would be my contribution to the Community.
