RE: Letter of Recognition and Appreciation

Dear Soxna Dice,

On behalf of the Board of Directors and the entire staff of the Crockett Community Services District, I want to express our sincere appreciation for your outstanding volunteer work at 1 Rolph Park Drive.

Your dedication to beautifying the property through the thoughtful design and planting of native garden beds has made a remarkable difference. By introducing native plants, you have not only enhanced the visual appeal of the site for visitors and residents alike, but you have also supported local pollinators and promoted sustainable, environmentally friendly landscaping practices within our community.

It is the selflessness and passion of volunteers like you that make Crockett such a special place to live. Your hard work, time, and attention to detail have converted this space into a vibrant asset that our community will enjoy for years to come.

Thank you once again for your initiative, civic spirit, and valuable contribution to Rolph Park.

With warm regards and deepest gratitude,

Jena Goodman
General Manager
